

An Error Occurred

Details of the exception:

- Failed action: **home:produit.i_fichetech**
- Application event: **onRequest**
- Exception type: **Application**
- Exception message: **The ID argument passed to the getEntity function is not of type numeric.**
- Exception detail: **If the component name is specified as a type of this argument, it is possible that either a definition file for the component cannot be found or is not accessible.**

ROOT CAUSE - struct							
Detail	If the component name is specified as a type of this argument, it is possible that either a definition file for the component cannot be found or is not accessible.						
Message	The ID argument passed to the getEntity function is not of type numeric.
